To Whom It May Concern

It is with pleasure that I confirm that Andre & Son painters and decorators are a very reputable contractor and one that we here at Dulux are only too pleased to recommend to any prospective client.

David completes much of his work in the inner suburbs of Melbourne and he specialises in all areas of painting and decorating including interior and exterior repaint projects together with the repainting of commercial properties.

David is a professional painter who prides himself on quality workmanship. He has a pleasant nature, easy to communicate with and he is one the more likeable people in the painting industry.

Also David uses Dulux Premium products such as Wash & Wear 101 and Weathershield X10 exclusively, which adds further testimony to the quality of his workmanship.

Dulux is pleased to be able to provide David with this letter of recommendation and I would be prepared to speak on his behalf.
